334/462-9137 669-48082. Name and address of defendant(s): Montgomery County Sheriff's Dept.

Montg., AL 361043. Place of alleged violation of civil rights: Montg. County Courthouse4. Date of alleged violation of civil rights: Can't remember even the year, either 2001 or 20025. State the facts on which you base your allegation that your constitutional rights have been violated: The fact of this issue is: I was ordered by Sgt. Hayes
with the M.C.S.D in 2001 or 2002 to register as a "sex offender"
and complied; since, ~~he~~ learned that this particular law relating to this
registration was not active on the books or an effective addendum until
Oct. 1, 2005. Note: I was Sgt. Hayes who also ordered me to
register with the city -- with this I also complied. I learned of
this law (Alabama Code Title 15-Chapter 20) while trying to disassociate
the "city" conviction ~~from~~ the addendum (13A-11-200) in the process

6. Relief requested: I wish that I could be removed from the

consideration. I would like to CACLOS9 the "Pardon Request" with it's
contents to "The United States District Court For The Middle District of
Alabama" as to "shed light", hopefully, on this issue. Since not being
able to come to terms with Sheriff Marshall, and if law applies,
I am seeking a total sum of \$18,000,000.00 for evictions,

Pg. 1

My dear Mayor Bright:

Please allow me this opportunity to re-submit a "Pardon Request" in my own behalf that was declined by Your Honor, according to the enclosure^{#1} sent via Your Honor's legal department, for the convictions of Indecent Exposure; which, pursuant to Alabama Code Title 15-Chapter 20 < 13A-6-68 < 13A-11-200, require notification of sex offender status and sex offender registration.

Along with the original character letters submitted as part of my first "Pardon Request," this re-submission included the following:

- ① The "Pardon Request" form itself, ② the Alabama Department of Public Safety criminal background check, and ③ the Montgomery Circuit Court records.

Since the Montgomery Circuit Court records do not include the Complainants' statements (due to water damage, as I understand), I would like to also submit a personal description of each Indecent Exposure charge and conviction on the reverse side of the "charges listed"; which I feel would be not only beneficial to Your Honor's decision, but also necessary.

Pg. 2

If Alabama Code 13A-11-200 (referenced in the introductory paragraph) applies to my previously-dated convictions, and if Your Honor is still hesitant to accord a pardon after reviewing the contents of this re-submission; then I would humbly ask Your Honor to consider granting a reduction of these charges; whereby I would hope to have my name completely removed from the system as a "sex offender".

May God guide you in this and all decisions you must make as Mayor of our city.

Sincerely:
Timothy W. Rhodes

MY COMMISSION EXPIRES MAY 24, 2010

P. S. Immediately following the contents of this "Pardon Request" re-submission will be another reference to the "Descriptive" on the reverse side of the "charges listed," reinforcing why I feel more of the Ambivalent Exposure charges apply to the latest addendum of Alabama Code Title 15 - Chapter 20 and, also, a "presumption of law"; and, a personal, informative 2nd Enclosure.

TO WHOM IT MAY CONCERN:

Mr. Rhodes has been a patient at the Montgomery Area Mental Health Authority, where I am employed, since 1984. The mental illness for which he receives treatment is characterized by impulsive and reckless behavior, decrease in ability to exercise good judgement, excessive talking, increased motor activity and sometimes grandiose thinking. Medication is very effective in controlling these symptoms but if the medications are decreased or stopped, the patient will experience an increase in symptoms. It is my belief that Tim was not taking his medication or was improperly medicated at the time when he engaged in unlawful behavior. Throughout the years that I have known him, I have never observed any antisocial traits in his personality.

Based on my personal and professional knowledge of Tim, I believe that the granting of a pardon is highly appropriate.

He remains in treatment and is compliant.

Dear Mayor Bright:

My name is Willa Rhodes, Tim's mother. Please listen to my heart as one Christian to another as I try to explain my son, Tim to you.

When Tim was born, we were so very happy. We had a wonderful daughter, Jennifer and a son, Tim. I knew in the beginning they were not our children, only that God had loaned them to us for awhile. So, that is the reason they were Christened and given back to Him.

I always did my best to be a good mother and always taught them to love and respect everyone, especially the Lord.

I am not saying that Tim is perfect Mayor Bright but I am saying he loves and is loved by so many people.

Tim goes out of his way to help the elderly, taking them to the doctor and so much more good too numerous to tell it all.

His dad and I have been married 53 years and have had a happy life together with our children and now that we are much older and with so many health problems, Tim is all too willing to be in our lives and help us.

Tim is a registered voter and votes- so am I. I also work the polls and help with community services as much as possible.

Mayor Bright, the one wish I have is that all this bad stuff could be removed- before I leave this earth to make that beautiful cross over or better still, be caught up in the rapture. I also work with the prayer ministry at Eastmont Baptist Church in Montgomery.

#3A

I pray you can find it in your heart to give Tim a pardon. Tim has never harmed anyone except himself at one point and time in his life.

I pray that God gives you the right choice, and I also pray God's blessings on you and your wonderful family you love as I love mine.

Thank you for taking the time to read this from your heart, and I pray God's will be done in all our lives.

Sincerely, Your Sister In Christ

To The Honorable Bobby Bright:

My name is Janice Bryant and I have been a close personal friend of Tim Rhodes for 40 years. We grew up in the same neighborhood until we moved away and left them in Ridgecrest. We stayed in touch and when I had my two children, he was a godfather to them.

The older we got, the closer we became. He has gone to school and held jobs to make something of himself. He has been a part of my children's lives all these years, and now is godfather to their children. He would not have been so involved in their lives only because of who he is.

He is a good decent man and a very dependable friend. It would be a good decision to clear Tim of all these charges that have followed him all these years.

Sincerely,

Dear Mayor Bright:

I have known Timothy Rhodes for 10 years. He is a fine Christian man and a good friend. Timothy is kind and generous. He is the type of person to help anyone in need. When I came here I did not know my way around and Timothy would drive me to the doctor and has drove me to the airport several times.

I had a leg injury and was in Cedar Crest and Rehabilitation Center and when I came home, Timothy stayed with me night and day until my sister could get here from Mobile.

I am 76 years old and I am very proud to call Timothy my friend.

Thank you,

My name is Jennifer Rhodes Nixon, sister of Tim Rhodes. First of all, I would like to thank you for this opportunity to write to you on his behalf.

Tim and I grew up together. There is only 16 months different in our age, with me being the oldest. We had a good childhood, and Tim had many opportunities when he graduated from high school; but he got involved with people where bad judgements were made. This influence turned him in another direction (like life does To almost everyone at some point). But with love and concern from his family and new-sought friends, his life has changed remarkably. He is a Christian man with a deep spiritual conviction. He is also very caring and involved with our aged parents who depend on him for many different things. However, due to his situation with his past, it has kept him from being successful in the workforce and being a productive part of society.

Tim was such a big part of my daughter Stephanie's life until she passed away 3 years ago. She was brain damaged at child birth and was diagnosed with severe cerebral palsy. She could not speak or walk and was totally dependent on others for care. Tim was always ready to help. He had a beautiful relationship with her until the end.

When I was employed with the City of Montgomery, Therapeutic Recreation Center as Assistant Director for 13 years, he helped me tremendously with my daughter. He has a lot of patience and love for all people. Presently, I am employed with Elmore County

Board of Education /State Vocational Rehabilitation, and my husband and I have been licensed foster parents. During the past nine years, I have meet many people with different disabilities, including mental retardation, mental illness, etc. I work with Special education students into transitioning services from high school to post secondary education. I am also on the Advisory Board of Mental Health and Mental Retardation with the State of Alabama. I have a strong conviction and concern for people who are disadvantaged in areas where they need assistance and especially support from those who can make a difference. That is why I believe everyone needs a second chance to prove themselves.

Tim is a remarkable person. He is loving, caring, responsible, and of course, my brother. I am asking you, Mayor Bright, to please give him an opportunity to excel in the future so he does not always have to cling to his past. Again, thank you for your time and consideration.

Respectfully,

Jennifer Rhodes Nixon

Dear Honorable Bobby Bright:

As godmother to Tim Rhodes for the past 40 years, I would like to express my opinion and state some facts about Tim's misdemeanor record with our "fair city".

Firstly, as a widow of a State Trooper since 1982 (when my husband was killed after 30 years of service with the State of Al.), I understand how important it is to pay fines and to keep court appearances; and I know for a fact that Tim has never failed to meet his responsibilities with our legal system, and has never failed to pay or appear for any offence with which he has been charged.

He has been raised responsibly and has always been active and concerned in my life along with my two children and their families over all these years.

While Tim's family and I have discussed whether to step into Tim's life during his early adulthood, we all decided to allow Tim the opportunity to discover for himself his own convictions and which decisions he should make in the course of a lifetime; and, as the old saying goes: "God is always on time".

Tim has come to me many times over the recent years expressing how he wished he could go back to work and retire his 77 year old, cancer-stricken father who has worked at Reinhardt Motors for the past 40 years, and where he is now still employed.

Especially on Tim's behalf and because of a 30-year past of confusing, vicious, and less than upright elements that he has endured, I have no hesitation in asking you, Your Honor, to please help our Tim along his newly found path of reality.

May God guide you in this, and all of the decisions you must make each day as Mayor of our great City.

Respectfully,

Hazel Bryant

Honorable Bobby Bright

Dear Honorable Bobby Bright:

I am writing this letter and praying for the words and phrases to attempt to explain my need for your help during this critical time of my life.

As a graduate of Sidney Lanier High School (Valedictorian, 1976), I did not immediately seek any other form of higher education; but, instead, decided to go where my life and newly-found acquaintances would lead me.

As hindsight would have it, naturally, this road led to several misdemeanor convictions with our City (not to mention a life that would seem to prove totally dependent upon the generosity of my family).

I would like to say; however, your Honor, that as a white Christian, middle-aged man now, I harbor no grudges or ill-feelings towards any ^{or} ~~and~~ all persons in my past who may have been instilling in me A sense of false security and hope as to the quality of life that I might possibly have attained.

* While living on Mt. Meigs Rd. in Montgomery, Al. several years ago, I applied for a pistol permit to protect myself and my home. A Sgt. Hayes called my home several days later and said they needed more information and that I should go back down ^{to} the County. 2001-2003

While complying with his request and upon arriving back at the County, Sgt. Hayes informed me that that there were new laws and I would have to register as a "sex offender".

It has been this assassination on my character that has proven to hinder my efforts in finding employment and also obtaining affordable housing (not to mention how it has affected my state of wellness as a mental health patient in our city for the past 20 years).

In closing may I say that if I had but one plea to request in the period of a lifetime, it would be that this "label" was not affixed to my name; and may God guide, guard, and direct you and your heart, conscience, and senses along with your family, career, and ever thing you hold dear in your life, also ,
